I hereby make application to pay the full amount of the rates outstanding on my assessment as detailed above by instalments as follows:-

☐ *Weekly payment of* *$.....* *Date of Commencement ……..*
☐ *Fortnightly payment of* *$.....* *Date of Commencement ……..*

With the outstanding balance to be paid by within (tick relevant)
☐ *twelve (12) months*
☐ *twenty-four (24)months*

This application is made under Section 1035 of the *Local Government Act 1993* and I understand that the proposal has no effect on my liability to make immediate payment of the full amount outstanding until and unless the proposal is accepted by Council under Section 1031 of the Act.

I also understand that, as an agreed condition of the Council's acceptance of my proposal, interest will continue to accrue at the rate applicable under section 1018 of the *Local Government Act* on the outstanding balance from time to time, and that payments will need to be continued until the full amount outstanding, including accrued interest, is paid.

I further understand that if the Council accepts the arrangement but I do not adhere strictly to it, the full amount of outstanding rates (including accrued interest) will again become immediately payable, and that the Council will then be entitled to take immediate legal action against me to effect recovery.

Yours faithfully
