

# NORTH BURNETT REGIONAL COUNCIL 2019 - 2020 ANNUAL SWIM REPORTING

North Burnett Regional Council is required by the Department of Natural Resources, Mines and Energy to submit annual data for water and sewerage key performance indicators.

Results presented on the table below were reported through the SWIM Reporting System for the period 1 July 2019 to 30 June 2020. The below results give a general overview of the water and sewerage operations of North Burnett Regional
